HONORABLE COMMISSIONER OF PATENTS AND TRADEMARKS  
WASHINGTON, D. C.

SIR:

**VERIFIED SMALL ENTITY STATEMENT BY INDIVIDUAL INVENTOR**

A small entity status is hereby established in the United States Patent Application being submitted herewith. We declare that we are independent inventor sand have (1) not assigned, granted, conveyed or licensed this invention, and (2) are under no obligation under contract or law to assign, grant, convey or license any rights in this invention to any person who could not likewise be classified as an independent inventor under 37 CFR 1.9(c) if that person had made this invention, or to any concern which would not qualify as a small business concern or a non-profit

organization under 37 CFR 1.9(d) or a non-profit organization under 37 CFR 1.9(e). We hereby further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 17 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
